Please provide information of your present employment/occupation and the duties and responsibilities that you are currently carrying outthis will assist us in ensuring that your visit is as fulfilling as possible ...

What you wont do here.

We ask that you prayerfully consider any tasks or duties here that you would not be prepared to undertake. We have a number of activities that we carry out each day ... most of them quite mundane ... feeding, washing, cleaning children, reading stories to children, painting things etc just to name a few ... it would assist us better if we are aware of things that you do not want to do while here.

Health limitations:

What are your goals while here at the Mission?:

For us to facilitate your visit and see that you are able to maximise your time at the Mission we ask that you give us a brief outline of what you would like to see and do during your time with us.

Why did you choose to come to this Mission in particular?

Dear Pastor and or Cell Group Leader ...

Please could you fill up this form as accurately as possible. Very often we have brothers and sisters in Christ that desire to visit our mission here in Cebu, Philippines and work with us for both short and extended times, and many of those times we have not met the individual/s... in order for us to better serve our fellow believers and maintain the vision and focus of our Mission we need a little information about this applicant. We are not so interested in whether or not they have completed studies etc but more interested in their character ... strengths and weaknesses ... ability to work in a team setting ... and their openness to taking direction etc.

*Thank you so much for helping us to get to know this applicant better ...
Abundant blessings to you,*

*Nick and Lucy Longden
